2022 BATCH PROJECT NOTICE

Dear Students,

All students who filled out the Google Form for guide and college certificates can **download them via the attached Google Drive link**. The certificates are **categorized as College and Guide certificates and organized by class**. Please check your respective class folder to download your certificate. Since enrollment numbers are not in order, each file is renamed with serial numbers from 1 to 100. Note that serial number 1 does not necessarily correspond to enrollment number 1, so please check all certificates carefully to find and download yours.

NOTE: Despite multiple reminders and notices, **only 750 students have completed the Google Form**. Some claim **the link wasn't working, but we cannot accept these excuses as nearly 75% of students submitted without issues**. The form was originally scheduled to close at 5 PM on Thursday (19.09.2024), but we **extended it by 4 hours, closing at 9 PM**. Among the 750 submissions, some students made errors, such as typing only "Yes" in the Title field. **For those who didn't fill out the form or made errors:**

- ✧ Wait until **Monday (23.09.2024)**.
- ✧ A **new Google Form** will be sent on **Monday**.
- ✧ This form will be **open only until Tuesday (24.09.2024) at 7 PM**.
- ✧ Certificates will be **issued by Wednesday (25.09.2024) at 3 PM, following the same process**.

This is the **final opportunity to generate certificates**. If you miss this second chance:
